sion in writing of the publisher, or in the case of non-graphic
reproduction, in accordance with the terms of a licence issued by the
Copyright Licensing Agency. In particular, IWA Publishing permits the
making of a single photocopy of an article from this issue (under
Sections 29 and 38 of this Act) for an individual for the purposes of
research or private study.

Aims and Scope

Journal of Water and Health is a new review journal devoted to
the dissemination of information on the health implications and
control of waterborne diseases and contaminants as well as
chemical substances in the broadest sense for developing and
developed countries worldwide.

This is to include microbial toxins, chemical quality and the aesthetic
qualities of water

Contribution will be published on the health-related aspects of the
following areas:

Epidemiology
Risk assessment
Detection and ecology of pathogens in the environment
Water and wastewater treatment
Disinfection

Disadvantages by products
Indicators of water and water quality
Regulatory issues and standard development
Water quality surveys and assessments
Monitoring
Microbial toxins (including cyanobacteria)
Chemical and physical quality of water as it affects health
Endemic diseases
Toxic and coliform
Impacts of water quality on food quality
Impact of climate change on water quality
Water-borne diseases
Water-borne insect vectors of disease

Water policy and health
Health effectiveness of water management

Submission

All manuscripts should be submitted electronically through our
Online Submission and Peer Review System:
http://www.editorialmanager.com/jwh/
Authors should prepare their papers in accordance with the current instructions for authors printed at the back of the journal, and also available at
http://www.iwaponline.com or from the Editorial Office at the address given inside the back cover.

US Mail Identification Statement

Health, c/o Mercury Airfreight International Ltd, 565 Blair Road,
Avondale, NJ 07001, USA.

Dear Subscriber,

I am writing on behalf of IWA Publishing regarding your subscription to IWA (International Water Association)
Publishing’s Journal of Water and Health.

IWA Publishing considers you as one of their most valued customers and is pleased to offer you the possibility to upgrade your current subscription to the Journal of Water and Health to include online access.

With this upgrade you will have online access to one of the world’s leading international journals.

As well as online access to the current year, you will have access to back issues of our journal – a huge archive available online.

Visit our journals website: http://www.iwaponline.com

To discuss this special offer please contact me, by phone or email, below.

Kind regards,

Ian Morgan
