

Journal of Water, Sanitation and Hygiene for Development

A Journal of the International Water Association

volume 09 | issue 1 | March 2019

Contents

Short Communication

- 1 Motivators for treated wastewater acceptance across developed and developing contexts
Jacelyn Rice, Rhian Stotts, Amber Wutich, Dave White, Jonathan Maupin and Alexandra Brewis

Review Paper

- 7 Rethinking Brasilia's water services: 'new targets' using the regulatory impact assessment (RIA) tool
Bruno Eustaquio de Carvalho, Rui Cunha Marques and Oscar Cordeiro Netto

Research Paper

- 19 The inactivation of *Ascaris suum* eggs by short exposure to high temperatures
D. Naidoo, C. C. Appleton, C. E. Archer and G. L. Foutch

Research Paper

- 28 Water quality before and after a campaign of cleaning and disinfecting shallow wells: a study conducted during and after floods in Khyber Pakhtunkhwa, Pakistan
Rashid Ali, Marc-André Bünzli, Luca Colombo, Seema Anjum Khattak, Sebastián Pera, Mohammad Riaz and Claudio Valsangiacomo

Research Paper

- 38 Exploration of bacterial contaminants in reservoirs of Palamuru by PCR-DGGE method: household water treatment
A. Shiva Shanker, R. Kannaiah Goud and Pavan Kumar Pindi

Research Paper

- 49 Electroporation of nematode eggs for parasite deactivation
M. H. Dryzer, C. Niven, S. D. Wolter, C. B. Arena, E. Ngaboyamahina, C. B. Parker and B. R. Stoner

Research Paper

- 56 Physicochemical and bacteriological quality of sachet water used by Ghanaian university students: implications for public health
Bismark Elorm Addo, Godfred Amankwaa and Razak M. Gyasi

Research Paper

- 64 Chemical and microbiological quality of desalinated waters in Birjand city, Iran
Ali Naghizadeh, Mohammad Kamranifar, Fatemehsadat Masoudi and Mohammad Reza Nabavian

Research Paper

- 71 Analysis of households' vulnerability to waterborne diseases in Yenagoa, Nigeria

Odafivwotu Ohwo

Research Paper

- 80 Household-level drinking water quality, access, and management practices within an informal community: a case study at Rio das Pedras, Rio de Janeiro

Richard V. Remigio, Renata S. Rabello, Garazi Zulaika, Marilia S. Carvalho, Paulo R. G. Barrocas and Gina S. Lovasi

Research Paper

- 90 Investigating the quality of stored drinking water from the Harare water distribution system, Zimbabwe

Pardon Dandadzi, Zvikomborero Hoko and Tamuka Nhiwatiwa

Research Paper

- 102 The social dynamics around shared sanitation in an informal settlement of Lusaka, Zambia

Jenala Chipungu, James B. Tidwell, Roma Chilengi, Valerie Curtis and Robert Aunger

Research Paper

- 111 Diagnostics for assessing city-wide sanitation services

R. E. Scott, I. Ross, P. Hawkins, I. Blackett and M. D. Smith

Research Paper

- 119 Water consumption in public schools: a case study

Luiz Gustavo Costa Ferreira Nunes, Anna Elis Paz Soares, Willames de Albuquerque Soares and Simone Rosa da Silva

Research Paper

- 129 Health costs and benefits from a pilot rural sanitation intervention in India

David Weis, Guy Hutton and Manish Kumar

Research Paper

- 139 Mobile crowd participation to root small-scale piped water supply systems in India and Bangladesh

A. Mink, B. A. Hoque, S. Khanam and D. Van Halem

Research Paper

- 152 Multisectoral approach to nutrition in Pakistan

Muhammad Ali

Research Paper

- 164 Water, sanitation and hygiene practices in early childhood development (ECD) centres in low socio-economic areas in Nelson Mandela Bay, South Africa

Paula Melariri, Liana Steenkamp, Margaret Williams, Chwayita Mtembu, Jessica Ronaasen and Ilse Truter

Practical Paper

- 172 A low-cost, open-source autonomous surface vehicle as a multipurpose waste stabilization pond monitoring platform

A. Cuppens, G. Menesse, E. Caligaris, O. Marecos and G. Wyseure

Practical Paper

- 181 Can a precast pit latrine concrete floor withstand emptying operations? An investigation from Malawi

Joshua Mchenga and Rochelle H. Holm
